Prince Salm-Salm conceived the plan of organizing a German regiment to serve in he civil war. The Princess asked the President's permission. He told her be feared complication with Germany.

"Fear? Fear nothing, Mr . Preident," said the interpld Princess. The President told the Princess he would welcome the German regiment if the Prince would arrange the preliminaries with the Fatherland, And so it was that the German regiment, the Eigth New York Volunteers came into being.

The Princess Salm-Salm helped her husband in the work of organizing the new regiment. She refused to be separated from him and followed the fortunes of battle with him. The Eigth Volunteers idolized their Colonel's wife. They presented them a great tent that could be partitioned into twelve rooms. This treatment at once stops falling hair, removes crusts, scales and dandruff, soothes irritated, itching surfaces, stimulates the hair follicles, supplies the roots with energy and nourishment, and makes the hair grow upon a sweet, wholesome, healthy scalp when all else falls.

My scalp became full of white dandruff. It formed into a kind of crust which, when scratched, would become irritated and bleed; then a crust would form where it had been scratched. It itched so that I thought it would drive me crazy, and I was ashamed to be in company. I had read a great deal about CUTICURA, and finally concluded to try it. I cannot express to you in words the relief and happiness which I received upon the first few trials. Before retiring I would wash my head thoroughly with CUTICURA SOAP and then take a fine tooth comband comb my bair very gently. It seemed as though the CUTICURA Ointment moistened the bard crast, and it came out in the fine teeth of the co in big scales and chunks. Then I washed my head again with CUTICURA SOAP, rubbing the Ointment into the scaip, and when I awake in the following morning I felt like new.
